

2. Personal information, Permanent residence, Address for notices

2.1 Personal information

Registration with username and password:

- Enter **Name, Surname and Phone No.** **E-mail** is copied from the registration. Check the data and correct them if necessary.
- Chose your **Sex** and enter your **Date of birth.**
 - If you entered Slovenian personal registration number (EMŠO) on the previous step of the application, then it will be copied to personal details and the field Sex and Date of birth are calculated from EMŠO.
- Obligatory fields are also **Country of birth** and **Place of birth.**

Registration with digital certificate:

- **Personal registration number (EMŠO), Name, Surname, Sex, Date of birth, Place of birth, Country of birth, and Country of citizenship** will be transferred from the Central Registration Register. This information can not be changed in the application.
- Obligatory field to enter is **E-mail.**

2.2 Permanent residence

MANDATORY! Always enter the address as it is written in your official personal document (passport, personal ID).

Registration with username and password:

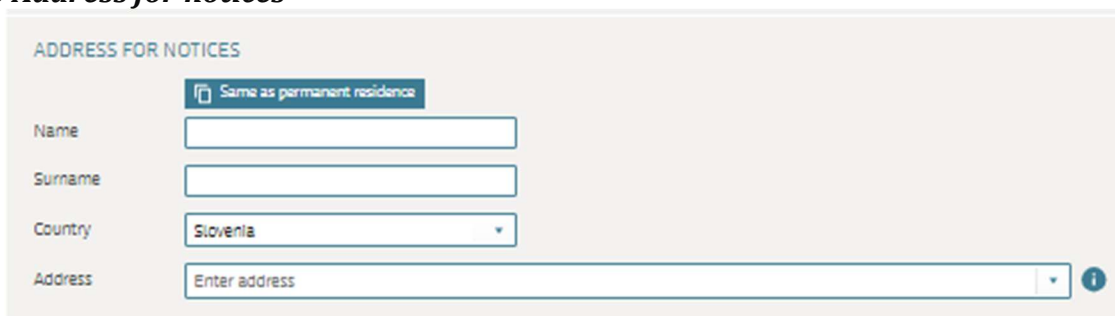

- The present country shown in permanent residence is the country of the citizenship.
- You enter the address in the three fields. When entering the address keep in mind that in correspondence the address will be written in a form:
Address, Postal code , City

- **Addresses in Slovenia** are entered only in the field 'Address' in the following manner: After entering the first four characters of the street name, the available addresses consisting from the street, house number, zip code and city will be displayed in the drop-down menu. By entering more characters the possibilities are narrowed. Once the address is entered in the row, the data will be transferred to the lower four fields. This box is linked to the Register of Spatial Units, which contains all the official addresses in Slovenia.

Registration with digital certificate:

- Address of the permanent residence will be transferred from the Central Registration Register. This information can not be changed in the application.

2.3 Address for notices
