October 14, 2026

To Their Excellencies, Ambassadors and Heads of Mission,

Warm greetings from Sungkyunkwan University (SKKU). As Vice President for International Affairs, I am pleased to invite your esteemed mission to nominate outstanding students from your country for our Spring 2027 scholarship program.

With a 620-year history and a strategic partnership with the SAMSUNG Group, SKKU is one of the most prestigious higher education institutions in Korea. To further diversify our international community, your mission is invited to nominate up to two (2) exceptional candidates for undergraduate or graduate study for our 2027 spring intake. If admitted, these nominees will receive a **50% tuition scholarship for the full duration of their degree**, provided they continue to meet the university's basic qualification and maintenance standards.

Please note that an official letter of recommendation from your mission must be submitted along with the required documents for the application. While this recommendation does not guarantee admission, all nominated students are advised to apply within the standard admission period as outlined in the attached admission guide.

We believe this initiative will strengthen the academic ties between SKKU and your nation. For any inquiries regarding the nomination process, please contact our Office of International Student Services at suying@skku.edu.

Thank you very much for your kind attention and continued support.

Yours sincerely,

Minhyo Rosa Cho

Vice President for International Affairs

Sungkyunkwan University
