*University of Ljubljana
Faculty of Pharmacy*

Hi, I'm Marco Zucca from Sardinia. I'm in Ljubljana for my master thesis in the Pharmaceutical Technology department. When I applied for the Erasmus, I did not know much about Slovenia and everything turned out to be a beautiful surprise! A small country full of history, a perfect fusion of tradition and innovation. Ljubljana is a friendly and wonderful city and the faculty a modern and stimulating environment. This experience was a perfect ending for my career as a university student. I will definitely return, there is still a lot to discover.

Nuri Mambetkazieva

*University of Ljubljana
School of Economics and Business*

After nearly a year of doctoral studies at the University of Ljubljana, this is the best place for students. There is no city noise like in other European cities, although it is the capital. I especially like the fact that the city is green. Students have privileges for food and travel by public transport. Professors are very professional. The School of Economics and Business holds a lot of scientific seminars from visiting professor from around the world. I am very glad that I chose this university.

Storitve in nastanitev

UVOD V ŠTUDIJSKO LETO

Ob začetku vsakega semestra organiziramo orientacijske dneve, v okviru katerih študentom iz tujine omogočimo brezplačni tečaj slovenskega jezika in kulture ter jim - s pomočjo študentov tutorjev - podamo vse informacije za lažje vključevanje v novo okolje.

NASTANITEV ZA TUJE ŠTUDENTE

Študenti iz tujine imajo v 1. letniku študija možnost bivanja v študentskih domovih.

LETO PLUS

Leto Plus omogoča študentom s pomanjkljivim znanjem slovenskega jezika, v katerem poteka študijski proces, ponovni vis v 1. letnik, če prvo leto študija opravijo tečaj slovenskega jezika v obsegu najmanj 6 ECTS in dosežejo najmanj 24 ECTS kreditnih točk iz drugih študijskih obveznosti vpisanega študijskega programa. Manjkajoče obveznosti iz 1. letnika lahko opravijo naslednje študijsko leto.
